

# RiVöt™ Level

## Quick Start Guide

*“Toadally Smart RV Tech”*

[UGotToad.com](http://UGotToad.com)

## Charge It Up

Plug in the RiVöt Level using the included USB-C charging cable. A full charge takes ~1 hour. Red LED lights up while charging.

USB-C  
Charging Port

## Download the App

Search “RiVöt Level” in App Store or Google Play

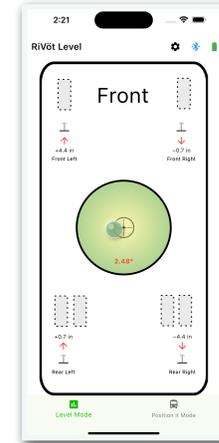

Or visit:  
[ugottoad.com/rivot-level/](http://ugottoad.com/rivot-level/)

## Power On & Pair

- Power on the Level with the On/Off switch
- Open the app and follow the Setup Wizard

## Level

• Follow on-screen guidance to level side-to-side and front-to-back

• Use **Position Mode** to find the perfect spot before parking

• Use **Level Mode** to precisely level your RV
